Laurence is our talented orthodontic specialist at Smileworks. He has an increasingly busy and varied referral practice and is delighted to accept referrals and self referrals from practices in the local area. He treats both adults and children – although please be aware that we cannot accept NHS referrals. Laurence has made a huge impact at Smileworks and his patients absolutely love him. Not only that, he's also impressed his multi-disciplinary peer-group with an absolute devotion to detail and a caring, friendly and cheerful approach to his work.
